Truly exceptional people and service
If they are booked, wait! You won't regret it. Superior services just all the way around. I feel very safe with these guys. Use their coupons if you need to. What a relief they have provided me in the last year. Not only am I receiving great service with a shop I have been able to consistently trust. I save on services my car all always need. They should remove the chairs in front of the window by the door or the customers all always sit there while they wait until they realize there is this amazing area to sit with plenty of seating. D

Outstanding service always!
Chris & Pat are the greatest guys ever and I always know that I can trust them, unlike other shops: An all around 5-gold star shop.

COUPONS MUST BE PRESENTED AT TIME OF SERVICE

Now Offering **GDI Service**

Some newer vehicles now have a fuel delivery system called Gas Direct Injection. GDI systems inject the fuel directly into the cylinders bypassing the intake valves in the engine. This can lead to carbon building up on the valves which can lower gas mileage and power. Our GDI service not only cleans the intake valves it will also clean the spark plugs, combustion chamber and other parts of your engine.

Car manufacturers are recommending GDI service every 20,000 to 30,000 miles.

\$199.95 Most cars & light trucks. Expires 10/31/22
